

FUCHS – And Once Again (Welcome Max Paul) EP

TF VÖ 49

This EP features 4 songs from the music of **FUCHS**. The songs have been completely or partially re-recorded. The most noticeable change is the new singer. These recordings were made to introduce the singer **Max Paul** to the fans.

Max Paul, 28 years old, joined the band FUCHS after singer Baggi Buchmann left the group at the beginning of 2024. Max Paul, like the entire band FUCHS, is from Stuttgart. This young, talented singer and musician has a solo program under his own name, and he also plays bass and keyboards for the popular indie-folk band **The Kids of Adelaide**, who also hail from the Stuttgart scene and have achieved international success.

Max Paul's first concert with FUCHS will be in November in Stuttgart. The EP offers a preview, allowing listeners to hear the powerful and warm voice of the singer, and how it skillfully enhances the progressive art-rock of FUCHS.

FUCHS live:

- **November 16, 2024, Stuttgart – Robert Koch Realschule (numbered seats available via Ticketleo!)**
- **March 30, 2025, Oberhausen – Zentrum Altenberg (with Mostly Autumn, tickets available via Eventim.)**

P.S. Just a brief mention: In the meantime, the FUCHS track “Here in my Void,” from the last studio album *Too Much Too Many*, was chosen as one of the 10 best long tracks of 2023 by the renowned **US Prog-Blog**.
